Hi (Walt, cindy, mom and laura)

On June 4, I'm going to try to sell some of my photos at an outdoor art show in Old Town in Lansing. I am matting and framing my pictures and I have discovered that the most expensive part of the process is the frame, so I have been looking for used frames at garage sales. I've found a few good ones, but I need more. If you happen to see any, please pick them up for me and I'll pay you back. I need big frames, with inside openings of either 11x14 or 16x20, preferably wood. It is OK if the glass is missing. Don't pay any more than \$5.

Walt gave me a frame when I was there a couple weeks ago. I removed the matador poster and sanded it, and it looks great. I haven't got a picture in it yet.

I've got 5 pictures framed so far. Some of the pictures I will just mat, no frame.

Thanks!

Steve
